Please click/use the link and create an account to begin the registration process. Fill out the necessary fields with your information and log in to your Bound account. Then, register your student-athlete in our program (Leading Edge Academy - East Mesa) and choose which sport for which they wish to try out. Finally, upload all of the required paperwork into the system. After uploading and signing the necessary documents, your student will be registered for tryouts. If you are unable to upload or print any documents please feel free to let us know and we will be happy to help!
This information must be filled out before the student-athlete is permitted to participate in any tryouts. Please register early as minimal response will be considered lack of interest and programs may be dropped

Note: One registration must be completed for each Student-Athlete. Also, please make sure your student-athlete has a physical evaluation completed before the season begins. Registration and fees are required to be completed/paid in order for your child to be able to participate in any sport.
