Policy: The family may complete a Leading Edge Academy Activity Fee Waiver Request per activity, and submit all required information, including **one** of the following items: Paystubs, Federal Tax Returns, W2, 1099 forms, qualifying state aid letter, or letter of termination of employment. LEAD Charter Schools will then review the family's financial position to determine what level of discretionary income is available for fee payment. Depending on the level of discretionary income, we will then be able determine if a family is eligible for a percentage of the waiver and whether or not that waiver will require additional terms, like volunteering. Families who seek a waiver are encouraged to apply ahead of time.
